MCV Physicians at Temple Avenue

Ryan White Part C
Introductions
(ID Clinic, MCV Physicians at
Temple Avenue, Vernon J.
Harris, CrossOver, and
Telemedicine)

Ginny is moving
back to Richmond!

She transfers care to
VCU ID Clinic to continue
to see Dr. Ayala-Sims

During Social Work/Nurse Intake...

Ginny Commonsity presents with:
Mental Health Issues
&
Major Adherence Problems

These may affect her ability to stay
in case and stay healthy!

SPNS Mental Health Introductions

CRCS Prevention Introductions

Uh Oh!

Ginny has insurance, but due to high co-pays, is unable to afford her medications!

Ginny meets with VCU's Insurance Specialist/Case Manager to discuss her current coverage.

Our insurance specialist lets Ginny know that she is eligible to receive her medications through VCU's 340B Pharmacy Program!

VCU'S
Ryan White Part C
340B Pharmacy
Program

Ginny attends
all of her HIV Care
appointments

She also attends
all of her mental
health appointments!

Lastly, Since Ginny
receives copay assistance
for her medications
through Ryan White and
never misses a dose!

Ginny is now

UNDETECTABLE!

ever misses a dos

Ginny is now

UNDETECTABLE!

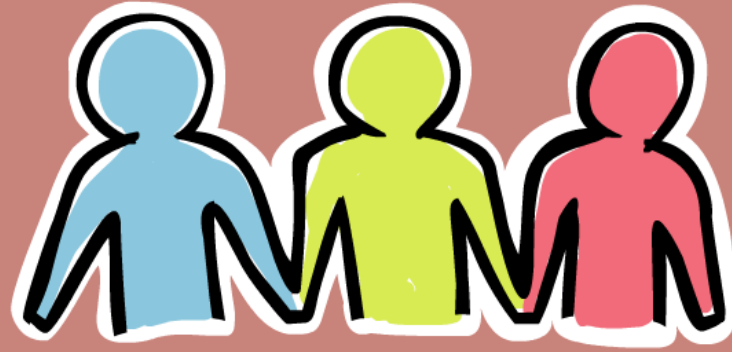

Ginny is retained into Care and...

Ginny attends
all of her HIV Care
appointments

She also attends
all of her mental
health appointments!

Lastly, Since Ginny
receives copay assistance
for her medications
through Ryan White and
never misses a dose!
Ginny is now ...
UNDETECTABLE!

SHE WANTS TO BE MORE INVOLVED!
